

Frequently Asked Questions

How will I get music for the festival? After you send in your registration form and fee, you will receive the music you will be performing at the festival (and all other information) via email, by January 26, 2018. It is very important to learn your music BEFORE the festival so that you will be prepared for festival rehearsals and activities.

What does my \$25.00 registration fee cover? Your registration fee covers a variety of expenses associated with the festival, including music, learning tracks, a T-shirt, and meals.

How do I make a payment? You can take care of your registration fee by mailing a check (made payable to Cincinnati Sound Chorus) to the mailing address at the bottom of this page *or* by visiting cincinnati-soundchorus.org/YWIH2018 to make an online payment.

Can Choral teachers and/or Chorus sponsors observe the festival? Adults who are bringing students to the festival, whether they are teachers, chorus members, or chaperones, are welcome to observe all, or part of, the Festival activities at no charge.

Who can come to the Saturday night performance? Please invite family and friends to hear you perform at the evening performance. Cincinnati Sound Chorus and Southern Gateway Chorus will also perform at the Festival. The Festival performance is free of charge for anyone who wants to come and support you!

Any other questions? Please contact your Region Coordinator listed below if you have any other questions about the program.
